I called to get on MG Aaron's
calendar per attached instruction.

His unit my called back when
I was out and left this msg:

His schedule is such that he
can't see me. If the schedule
sets up he will call me.

Please prepare an informal
letter for me to read him suggesting
that there may be some misunder-
standing and then provide clarifica-
tion. But liaison issue and etc
problem — also, he'll be different.
